TRAVEL INSURANCE

For the first time, ISA is pleased to advise that it has taken out a National Annual International Travel Policy for the benefit of all participants.

Importantly, ISA has organised travel insurance for all persons travelling on ISA sanctioned trips that includes cover while participating and training in overseas competitions. Our broker, Worldwide Sports Insurance, has placed this cover with ACE Insurance. Please read their PDS and cover summary for full details of the policy (available on the ISA website) and whether this product is suitable for you.

The Insurance is available to all those attending events and has a cost of \$90 per person per trip. This cost is designed to help recoup some of the cost of providing this great benefit.

A simple application form is provided on the ISA website for downloading and completing. Please ensure the completed form and payment reach ISA before travel. Payment by direct deposit or cheque is available.

As all international participants are no doubt aware, it is compulsory for every team member to have travel insurance that covers the skater participating and training whilst overseas. This cover provides that special insurance as well as most of the other many travel insurance requirements.
