

Ice Skating Australia Incorporated

Incorporated in the ACT
Affiliated to the International Skating Union

To: **Secretary of Ice Skating Australia Inc.**

From: **Chair - Technical Regulations**

Title	Preliminary Division - Element Change
By-Law No.	320
Current By-Law	There must be one (1) step sequence covering at least ½ the ice surface.
Proposed By-Law	There must be (1) <u>choreographic sequence</u> covering at least ½ the ice surface.
Explanatory Note	<p>Change to <u>Choreographic Sequence</u> required to enable skaters to successfully attain the Technical Element call.</p> <p>Previous element '<u>Step Sequence</u>' is not achievable by all skaters of this level and therefore restricts skaters from attaining Technical Element to be called.</p>
