

## **Ice Skating Australia JUDGES AND OFFICIALS REPORT 2021-2022 Season**

Dear Board

I am pleased to submit this report on the years' activities.

First, my sincere thanks to all the judges and officials who have given their time freely during the year for the sport we all love during these difficult times.

### **TRAINING**

Limited training sessions have been held around the country throughout the season due to restrictions.

ISA has modules online for judges and technical officials plus ISU has great e-learning modules available to ISU officials.

### **ONLINE EVENTS**

Due to National boarder closers ISA again held 2021 Nationals online. Also selection for SyS Junior and Senior Worlds was held online.

### **OFFICIAL APPOINTMENTS**

This season we had a small number of our judges/officials at ISU/International events with our skaters. Our ISU officials were appointed to many high level events by the ISU. Unfortunately due to National and State boarder closers some appointed officials had to decline.

Australia has earned a good reputation internationally for judging and technical skills. Training will continue to strengthen judges and officials at all levels of the sport domestically.
