

Ice Skating Australia JUDGES AND OFFICIALS REPORT 2019-2020 Season

Dear Board

I am pleased to submit this report on the years' activities.

First, my sincere thanks to all the judges and officials who have given their time freely during the year for the sport we all love.

TRAINING

Many training sessions have been held around the country throughout the year. The State participants then held sessions in their own states. All training was well attended and essential to provide consistency around the country.

Technical Panel pre-event refresher questions and videos were available on-line prior to Nationals and proved to be an asset to all officials. Thank you to Clarence Ong for all his work on this.

Judging questions were also available online and proved valuable to all judges and referees. Thank you to Karen Harris for all her hard work preparing this.

Program Components online training has been again updated and is online thank you to Leah Bates for all her work on this continuing project.

OFFICIAL APPOINTMENTS

Again this season we had many of our judges/officials at ISU/International events with our skaters. Our ISU officials were appointed to many high level events by the ISU. This shows their level of knowledge and commitment.

Australia has earned a good reputation internationally for judging and technical skills. Training will continue to strengthen judges and officials at all levels of the sport domestically.
