

Joanna Miller

Nomination for – Chair of the High Performance Committee

2023

Introduction

I have put my name forward to be the Chair of the High Performance Committee.

Background

I have been an ISU Judge for over 10 years now. And have been very fortunate to have been at several JGP, SGP and Championship events. During these events I have supported the athletes well. I also judge frequently at local events. I have good relationships with the skating community, including the skaters and coaches and of course other judges and officials. I am on the board of NSWISA and have been involved in the Training and Development portfolio. I was a skater at a high level and competed overseas for several years.

Qualifications

Senior National Judge and Referee in Singles and Pair Skating

International Referee in Singles and Pair Skating

ISU Judge in Singles and Pair Skating

Physiotherapist – experienced clinician and leader in my profession

Experienced traveller – independent and organised

Recommendation

I am recommending myself as the Chair of the High Performance Committee.

I feel I have the capacity to offer support to the skaters and their coaches as they progress into the high performance realm of their skating careers. I work well as a team member and team leader, and welcome the opportunity to work with experienced people as part of the High Performance Team.

Thank you for considering me for this position.
