

ICE SKATING AUSTRALIA

2018-2022 Strategic Plan

Vision:

To enhance lives through Ice Skating

Mission:

To promote and develop ice skating in Australia

Goals:

1. Increased participation in the sport
2. Increased international participation and success
3. Increased ISA capability to lead, partner and support it's members through good governance and policies
4. Increased recruitment and retention of Officials with increased opportunities for Officials

Results:

1. More Australians participate in the sport
2. More international participation and achieve improved international success
3. Good governance adopted and policies developed, reviewed and published
4. More Australian Officials participating in the sport

We will achieve our goals by:

1. providing a positive experience when entering into the sport that encourages ongoing participation
2. working together with coaches and athletes
3. developing the organization and providing a national direction
4. providing documented pathways for Officials and offering opportunities for training and promotion
